A BRIEF HISTORY OF ACS

At one time, there were six Catholic schools in San Angelo originating with Immaculate Conception Academy. Over time, these schools either closed or consolidated. In the 1970's, a major consolidation took place when Holy Angels School combined with Sacred Heart School and formed present day Angelo Catholic School. The school was originally staffed by religious (Sisters of Incarnate Word), but the sisters left. The school has been staffed by lay persons since. The lay teachers participate in the formation program (catechist) offered by the diocese.

The schools that consolidated went through high school at one time. After consolidation, the schools went through ninth grade. The seventh, eighth, and ninth grades were dropped because of declining enrollment. A three and four-year-old program was added to encourage enrollment in the school.

Because the local school district had junior high (7, 8, 9), parents wanted the Catholic School to offer those grades. After receiving permission from the Diocese of San Angelo Catholic Schools Commission, a seventh and eighth grade were offered, but enrollment did not support that concept, so the school stayed K-6, with a K4 program and the new K3 program. The local school district has just moved to the middle school concept (6, 7, 8). We do have permission from the Commission to operate a mixed 5th/6th grade class next year should enrollment warrant.

A.C.S. is equally supported by Holy Angels and The Cathedral of the Sacred Heart of Jesus parishes.

Two other Catholic parishes (St. Joseph's and St. Mary's) in town also offer some financial support.

Because of various factors, enrollment has fluctuated, over the years, but the school has always had strong spiritual and moral growth.

Angelo Catholic School celebrated its 120th anniversary in 2008. With the organization and support of the ACS Alum group, the enjoyable event was well attended.

Angelo Catholic School has received permission from the Bishop to begin The Angelo Catholic School Foundation. A committee is working to provide information, marketing and fundraising.

PHILOSOPHY STATEMENT

THE MISSION OF CATHOLIC SCHOOLS IN THE STATE OF TEXAS

The ministry of Catholic Education in general is the fulfillment of the educational mission of the Catholic Church and has as its primary goal the continuous formation of the Christian person.

As a pastoral instrument of the Church, the strength of the Catholic school is its ability to respond to the needs of the whole person, the Church in a time of transition, and the world with a global perspective for a peaceful and sustainable future.

The Catholic School is a unique environment in which students can experience the presence of the Holy Spirit. Its focus is on the individual person's spiritual, moral, intellectual, social, cultural, and physical development. In the Catholic School, students and teachers are drawn to proclaim the Gospel message, to unite in worship, to respond to the needs of the community through fellowship and social justice, and to serve all people through the sharing of their spiritual gifts and temporal goods.

Intellectually, students are challenged to work to the best of their abilities. In a world of diversity and absolutes, students need to be freed to appreciate and understand the living organism called Earth, the peoples and cultures that inhabit it, and to develop global perspectives by which to form their lives and consciences. Students are provided opportunities to develop basic academic and physical skills, pursue knowledge, and critically study and analyze the world in which they live.

The effective Catholic School must call its students to the conviction that people are more important than material gain, that justice is more important than success, that love is more important than esteem, and that collaboration unites while competition divides. The truly successful Catholic school student is not necessarily one who is successful in every endeavor, but one who accepts Christian responsibility for fulfillment of personal potential and shares these gifts with others.

ANGELO CATHOLIC SCHOOL PHILOSOPHY

We at Angelo Catholic School, realizing the uniqueness of each student as a special child of God, educate the whole person. Believing and living the teachings of Jesus provides an environment for spiritual, moral, intellectual, social, emotional, cultural, and physical growth. Our school encourages critical thinking, cooperative learning, and inquiry-based learning. Every child is accepted and respected while being challenged to become a responsible, active member not only of the Christian community, but also of the global community.

MISSION STATEMENT

Our mission as a Catholic school community is to create an atmosphere inspired by the Gospel of Jesus, thus enabling our students to live in a community of faith, service, and commitment to achieve their academic potential.

AFTER SCHOOL CARE PROGRAM

See the After School Care Program Handbook.

ATTENDANCE / ABSENCE / TARDINESS

Parents are responsible for the regular school attendance of students. Repeated and/or excessive absence or tardiness will be discussed with parents. (Diocesan Manual of School Policies Policy 5113) When a student is absent, the parent or guardian must call the school office (949-1747 at Holy Angels; 655-3325 at Sacred Heart), between 7:30 a.m. and 9:00 a.m. to report and explain the student's absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Angelo Catholic School students.

Students should be fever free for 24 hours before returning to school.

Absences for the following reasons are excused absences:

- Medical and Dental needs of students

- Death in the immediate family

- Emergency situations

Regular attendance is critical to your child's success in school. After a student has missed 10 school days, all future absences will be unexcused unless accompanied by a doctor's note explaining the cause of absence. Excessive absences or tardiness may result in a referral to the Child Protective Services offices.

Students are required to be in attendance for 90 percent of the assigned days in order to receive credit, regardless of academic achievement. Failure to meet the 90 percent rule may require summer school attendance or additional work as assigned by the principal.

When a student returns to school, a note explaining the absence and signed by the parent/guardian, must be presented to the teacher prior to the beginning of classes. Each day of absence needs to be mentioned in the note. It is the responsibility of the student to make up any work missed during the absence.

The morning bell rings at 7:55 a.m. at Holy Angels and at 8:00 a.m. at Sacred Heart. Any student not in the classroom at that time is considered tardy. A student who comes late must first report to the office for a tardy slip. Excessive tardiness (more than six times a reporting period) will result in a conference with the parent/guardian and principal.

(Diocesan Manual of School Policies - Implementation of Policy 5113):

A student will not be released from school during the day unless a written notice is sent in advance by parents/guardians. Students will be released to parents, guardians, or someone explicitly authorized by them. Release notes must be verified as authentic. A third party who is authorized by parents must be personally identified by them or be known to the principal or staff member.

Parents are encouraged to make medical and dental appointments after school hours, if possible.

Under no circumstances will children be released from school for all or part of the school day as a reward for engaging in or being successful in any type of fund-raising activity, contest, sporting event, and so forth. If the student does not come to school – the student does not participate in any extra-curricular activities that same day – i.e., class parties, Little Olympics, etc.

Taking children on extended vacations or being out of school for non-school related extra-curricular activities is highly discouraged. Please note: teachers are not required to give make-up tests or assignments for absences because of vacations. No assignment will be given in anticipation of the vacation.

However, if necessity demands that this be so, the procedure below must be followed in order for the absence to be excused.

1. Submit intent in writing to principal one week prior to departure date.
2. Principal will signature intent and relay information to respective teacher.
3. Student is responsible for completing all work/tests AFTER returning to school. This work must be completed within two school days.

BIRTHDAY OBSERVANCES

Students in Grades Pre-K through Grade 6 may come to school dressed out-of-uniform (see free dress day parameters) on their birthday or half-birthday (six months from date of birthday, esp. for summer birthdays). In addition, birthday treats may be brought to school. Treats should consist of cupcakes or cookies, not cake. Students are invited to come by the Principal's Office for a birthday gift.

BLOGS

Engagement in online blogs such as, but not limited to, MySpace.com®, Xanga®, Friendster®, Facebook®, etc. may result in disciplinary actions if the content of the student's blog includes defamatory comments regarding the school, the faculty, other students or the parishes.

BULLYING AND CYBERBULLYING (SEE CHILDREN/YOUTH BEHAVIOR)

Angelo Catholic School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (seriously or in jest or online) face detention, suspension, and/or expulsion.

CAFETERIA/LUNCH

Hot lunches are served to students on a daily basis. Students are required to purchase a lunch ticket. **NO CHARGES WILL BE ACCEPTED FOR SCHOOL LUNCHESES.** Students not eating the hot lunch are to bring a sack lunch to school. Students should not bring glass bottles, soft drinks or excessive amounts of candy. Parents/guardians are encouraged to eat lunch with the children but are asked to refrain from bringing **FAST FOOD** into the cafeteria. Parents wishing to eat are asked to purchase the cafeteria lunches (notify the office before 8:15 a.m.) or bring a sack lunch from home.

In the cafeteria, students are expected to: observe good dining room standards at the table, leave the table and surrounding area clean and orderly, replace chairs and put litter in proper containers and talk in quiet conversation voices. Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with teachers and staff is required at all times.

CHILDREN / YOUTH BEHAVIOR

Manual of School Policies
Diocese of San Angelo

Implementation
of Policy 5141.1

(Catholic Schools, Religious Education, Other Youth Programs)

Church personnel will strive to ensure that children/youth model behavior that maintains a safe environment for themselves and others (children, youth, adults) and witnesses in word and deed their discipleship in Jesus Christ. *(Adapted from NFCYM Policy for Protecting Youth People.)* An important component of Safe Environment Training for Children/Youth is Prevention Training that fosters a sense of safety, sensitivity and responsibility in peer relations between children and youth. Christian behavior is integrated throughout the curricula of the Catholic School/Religious Education Program. Parents and students are to be made aware of expected behavior at the beginning of the year and integrated throughout. This will be accomplished through the use of the Diocesan Guidelines for Student Behavior and the Diocesan Safe Environment Program.

In accord with the call to be peaceful followers of Christ, and with the state law, the Diocese will not tolerate any type of bullying or intimidation. Bullying and intimidation include engaging in written, electronic, or verbal expressions or conduct that has the effect of physically harming a student, damaging a student's property, or placing a student in fear of harm to one's self or property severe enough to create an intimidating, threatening or abusive educational environment for a student.

CHILDREN / YOUTH BEHAVIOR

Catholic Schools, Religious Education and other youth programs are to have specific rules to deal with youth misbehavior.

In the event of a serious incident between minors (one that sexually, physically, verbally, or psychologically harms another) who are supervised by Church personnel, an Incident Report needs to be completed, after first going through the proper levels of authority, and submitted to the appropriate level of authority that will deal with the incident. Some examples of serious incidents might include but not be limited to: inappropriate sexual touching, physical violence causing injury that requires professional medical care or hospitalization, or situations requiring a response from law enforcement officials. When necessary, incidents will be reported to the proper Diocesan authority.

Steps to take in reporting serious incidents among children/youth regarding:

- Sexual, physical, verbal, or psychological abuse incident involving peers
 - Sexual, physical, verbal, or psychological abuse incident between peers when one is 3 or more years older than victim
1. Gather all information and evidence on sequence of events
 2. Talk to Teachers(s) or one in charge
 3. Talk to Youth involved (all parties)
 4. Talk to Parent(s)
 5. Talk to other involved parties and witnesses
 6. Send report to appropriate level of authority

Reporting Procedure Sequence

Parents of children and youth involved in serious incidents should always be informed of the incident and pending actions.

CLASSROOM VISITATIONS

It is important that the classroom be free from interruptions. Parents/guardians are encouraged to visit the classrooms, but an appointment must be made with the teacher and the principal. School visitors (volunteers, parents, etc.) must report to the main office. For safety and security reasons, each person is required to **sign in** at the office when he/she enters any of the school buildings for any reason. All visitors and/or volunteers are required to wear a designated badge that may be picked up in the office. Visitors and/or volunteers are to **sign out** at the time of departure.

Parents who volunteer to work in the lunchroom or who volunteer in another capacity in the school may not drop in to a classroom to see their student during the day. This is an interruption to the teacher and to the educational process.

COMMUNICATION

Good communication between home and school is very important at Angelo Catholic School. A communication envelope is sent home with the oldest child every Wednesday unless otherwise notified. Please impress on your child the importance of taking home all school correspondence. Communication envelopes are to be returned the day after receiving it. A \$3.00 fee will be assessed every time a new envelope is issued to the family. Any information distributed to students must be approved by the principal.

CONDUCT

In accordance with the stated philosophy of the school, which emphasizes deep respect for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. This requires courtesy in all personal relationships, promptness in fulfilling obligations, concern for the environment, and many other factors which the students' sense of appropriateness will indicate to them.

The Principal reserves the right to determine the appropriateness of an action if any doubt arises.

Items such as, but not limited to, questionable books and pictures, white-out, knives, guns, matches, cigarettes, radios, toys, trading cards, pagers, cell phones in the ON position (see clarification), laser lights, palm pilots, CDs, iPods or other mp3 players, or anything that will detract from a learning situation are not allowed at school at any time. Key chains and toys may not be attached to student backpacks.

The school Administration, in accordance with state laws, will determine the appropriate disciplinary measures to be taken concerning the presence of these items in the school. **Items taken away from students will be returned to the parent(s)/guardian(s) on the last day of the school year.**

Cell Phones: If a student needs a cell phone after school because of walking home from school, entering a house where no one is home, or other such reasons, he/she should keep the cell phone turned off in his/her backpack/locker. Should the cell phone be seen or heard by students/staff/faculty, the cell phone will be removed from the student's possession.

CRISIS PLAN

Angelo Catholic School has implemented a "crisis plan" in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to the church building (depending on your child's campus:

1. Cathedral of the Sacred Heart of Jesus
2. Holy Angels Catholic Church

CUMULATIVE RECORDS

Cumulative records of students are kept in the school office from the date of entrance until the date of withdrawal and/or completion of the sixth grade. This card contains the student's end-of-the-year grade averages, standardized test scores, number days absent and times tardy. When the student withdraws, a copy of the cumulative record is sent to the receiving school upon written request from the school. All special education or psychological test results, which are to be released to a receiving school, must include a parent's/ guardian's signed release of that information. Records will be released only when any outstanding financial debt owed to the sending school by the parents/ guardians is liquidated. Such debt includes and is not limited to outstanding tuition and fees as well as unreturned school property.

CURRICULUM (Diocesan Manual of School Policies - Policy 6140)

The curriculum consists of all the experiences of the child which come under the supervision of the school. In addition to religious education, the schools of the Diocese of San Angelo will include in their curricula the requirements of the State of Texas for compliance with Texas Essential knowledge and skills and Texas Catholic Conference (TCC) Accreditation Guidelines of Domain VI (Curriculum and Instruction).

Students are encouraged to participate in extra-curricular activities. This participation encourages the development of talents and responsibilities in the academic curriculum. It is expected that students are progressing satisfactorily in their academic core subjects and maintains satisfactory behavior if involved in extra-curricular activities.

DISCIPLINE / SUSPENSION / EXPULSION

An important aim of Catholic education is the Christian development of the whole person. Discipline is necessary for the development of the person. It is important that students learn to get along with others and to respect one another. Students are expected to conduct themselves in a manner that does not interfere with the rights, privileges, and safety of others. Students are encouraged to develop good habits such as courtesy, respect, kindness, helpfulness, cooperation, and responsibility as well as good study habits.

To help develop students as responsible Catholic Christians, below are basic expectations.

Students will adhere to the learning process at all times.

Students will listen to and follow directions.

Students will use appropriate language and social behaviors.

Students will be prepared for class.

Students will take care of their school and everything in it.

*(Gum is strictly prohibited on / in school property/buildings).

Every student is issued a Behavior Folder at the beginning of each nine week reporting period. Throughout the day, both appropriate and inappropriate behaviors are recognized. All notes sent home regarding behavior must be signed by parent/guardian and returned to school the next day.

Stated class rules must be on display in the classroom. Appropriate and inappropriate behavior will be recognized throughout the day. Every attempt will be made to keep the recognition positive. If inappropriate behavior occurs, the following steps will be followed:

1. First Infraction: Warning
2. Second Infraction: Consequence
3. Third Infraction: Parent contact/note, telephone call or conference.
4. Fourth Infraction: Referral to the Principal. The Principal will decide what steps to take from there: suspension, expulsion, etc. The Pastor will also be informed.

Suspension, the temporary prohibition of a student's attendance for three school days or fewer, will be within the jurisdiction of the principal. Parents/ guardians will be officially notified in advance. In every instance, the pastor(s) will be informed of the suspension and the reasons for it. The principal is

responsible for deciding whether the suspension is carried out within the school or off- campus. Students who are given an in-school suspension will be required to report to school each day and work with a substitute teacher paid for (\$65.00) by the suspended student's parents. Students who receive an out-of-school suspension will not be allowed on campus during the time of their suspension. Students must complete all class work and tests from the days of suspension.

Suspension or expulsion is invoked for any of the reasons listed below.

- a. Habitual misconduct which is disruptive of the teaching/learning process.
- b. Refusal to obey reasonable directives, orders, rules or regulations of the school board or any administrative officer of the school which are promulgated for the well-being of the student body, the staff or the Institution.
- c. Violation of any penal law or ordinance applicable to the respective jurisdiction of all parties concerned.
- d. Engaging in any activity or conduct which is a serious violation of the Roman Catholic ethic or which attempts to promote teachings contrary to those of the Roman Catholic Church.

A student liable for a suspension for a second time will be liable for dismissal.

Destruction of school property requires the restoration and clean-up by parents/guardians and student.

Expulsion, the permanent termination of a student's enrollment, is an extremely serious matter and requires the concurrence of the pastor(s) and the principal. Students who pose a threat to themselves or to others may be expelled from Angelo Catholic School. Students who have been expelled will not be allowed to return to the school without prior permission from the Principal. Notification of the decision must be filed with the Diocesan Superintendent of Schools. Parents can appeal through the grievance procedure.

School staff must carefully document the incident(s) of student misbehavior leading to a suspension or expulsion decision as well as the remedial action(s) taken when the incident(s) occurred.

Students should not exchange individual gifts at school. This gesture only creates hurt feelings among other students.

Invitations for slumber parties or birthday parties should be sent to the homes of students via the U.S. Mail unless an invitation is being given to every student in the entire grade.

GRIEVANCE PROCEDURE OF THE DIOCESE OF SAN ANGELO

(Diocesan Manual of School Policies - Policy 2450)

Grievances shall be resolved at the first possible administrative level available to the grievant.

Parties to a grievance shall observe the procedure described in the implementation of this policy. They shall conduct themselves at all times as befits educational ministers who model the teachings of Christ to the students and to the parish community and who are motivated by the principles of mutual respect and Christian love of neighbor.

Every effort must be made to achieve reconciliation or resolution of the issue informally before grievance procedures are initiated.

IMPLEMENTATION OF POLICY 2450.2:

There shall be a "Resolution and Appeals Procedure" for grievances of Students and Parents.

In keeping with the principles inherent in the faith community that characterizes relationships of the parish and the administration of the Catholic schools, and with the further aim of insuring a just

resolution of problems which occasionally arise during the operation and administration of those schools, a procedure for handling grievances has been established and approved by the Bishop. This procedure provides an orderly and just means for resolving serious differences which may arise during the administration and operation of that faith community.

“Grievance” as applied herein, is defined as a Student’s and Parent’s formal claim of misapplication or misinterpretation of enforcement of discipline, of established policies and/or regulations at the local level.

Purpose: The purpose of the grievance procedure is to secure, at the first possible administrative level, equitable resolution of the grievance.

PROCEDURE

1. INFORMAL. Before allowing differences to become formalized into grievances, every effort should be made to resolve local level disputes within ten (10) working days by means of a free and open discussion between the grievant, staff member and principal. This discussion should be pursued with a view to reconciliation and resolution as befits those leaders who minister in the name of Christ in the Catholic community. If the matter cannot be resolved by dialogue, a third party, mutually acceptable to the principal, grievant and the staff member may be asked to sit in on the discussion. Without exception, informal attempts must be made to resolve the issue before the formal procedure is initiated.

2. FORMAL. If the informal attempts at resolving differences are unsuccessful, the formal grievance and appeals procedures outlined below are to be followed. The proceedings are kept appropriately confidential. The term “days” shall mean working days throughout the conduct of the proceedings. A formal grievance shall not be accepted if it is filed or appealed out of the required sequence of levels. Student grievances shall be filed by their Parent(s) or Guardian(s); at the hearing both student and parents or guardians will be present. A grievance may be withdrawn at any level.

Once withdrawn, a grievance cannot be reopened. The Principal shall inform the Superintendent of Schools immediately whenever a formal grievance procedure has been initiated or withdrawn. Every effort should be made to avoid any bias in this communication. (If the grievance is against the Principal and the grievant has exhausted the informal procedures, then the grievant may proceed to formal Level Two.)

LEVEL ONE - APPEAL TO SCHOOL PRINCIPAL

The grievant shall present the grievance in writing to the school Principal within five (5) working days following the completion of the informal grievance resolution process. The written grievance must state clearly that it is a grievance, describe the event on which the grievance is based and any informal attempts that may have been made to resolve it, have a suggested remedy, be signed by the grievant, and carry the effective date on which it is presented to the Principal. Within ten (10) working days following the receipt of the written statement of grievance, the Principal will arrange a meeting between the staff member, the grievant, required parties, and him/her self. Within five (5) working days following the meeting, the Principal will provide the grievant with a written decision on the grievance.

LEVEL TWO - APPEAL TO PASTOR (S)

Should the grievant wish to appeal this decision, he/she must file the written appeal of the decision with the Pastor (s). The Pastor (s) will seek consultation from another Pastor (s), School Board Member and an Educator. Within five (5) working days, the Pastor (s) will provide the grievant with his written decision on the grievance appeal, The decision of the Pastor (s) is final.

GUIDANCE / DRUG EDUCATION / CATHOLIC CHRISTIAN HUMAN SEXUALITY / AIDS EDUCATION

God's plan for family life is integrated into Religion classes beginning in Pre-K. AIDS Education and Drug Prevention are integrated into Science/Health classes in age appropriate manner.

HARASSMENT

Harassment of any type is not tolerated. The Principal investigates all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

HEALTH POLICIES / CHILD ABUSE

Angelo Catholic follows the Texas Department of Health rules covering immunizations. The Minimum State Vaccine Requirements for Texas Children (Revised March 1997) is sent to every registered parent/guardian. It is the responsibility of the parents/guardians to ensure that the child(ren) is appropriately vaccinated. "All immunizations should be completed by the first date of attendance. However, if this is not possible and if permitted by local school district policy, a student may be provisionally enrolled and allowed to attend school, provided at least one immunization in the series has been received. The remaining required immunizations must be completed as soon as medically possible in order for the student to remain in attendance." It is the desire of the administration that within 30 days of attendance the required immunizations have been received. Parents and school share the responsibilities of school health services. Students may not be admitted to classes without an Immunization record on file.

Prescribed medication will be dispensed only with written permission (form provided by school office) from the parents or guardian(s). Over the counter medication is not administered at school unless accompanied by a doctor's written authorization.

Permission includes the following:

- a. Name of child
- b. Beginning and ending dates of administration of medication
- c. Time of medication
- d. Statement that the medication can be administered by a person designated by the principal.

Each student's medication will have affixed a prescription label name, the name of the medication, the directions concerning dosage and instruction for the duration of the medication period.

Parents/guardians are required to pick-up any unused portions of the medication at end of dispensing period and all medications used are to be renewed at the beginning of each school year.

(Diocesan Manual of School Policies - Policy 5141)

Any child with a temperature of 100 degrees or above will be sent home. Only minor first aid will be given by school personnel. In the event of major first aid being required, the school will try to contact parents/guardians, persons noted on Student Emergency Card, Physician responsible. If none of the individuals can be reached, the parent/guardian agrees to give the school administration the authority to seek emergency care at the medical facility listed on the Student Emergency Card. The parents/guardians will be liable for any expense incurred.

It is the responsibility of the parents/guardians to keep the school updated on any information on the Student Emergency Card.

Health screening of Vision, Hearing, Scoliosis and hair check takes place on a regular basis during the school year.

In the case of suspected Child Abuse, any person shall make the required report to the local Child Protective Services Unit and immediately notify the school principal. The principal shall cooperate with Child Protective Services in investigating the case in accord with the Texas Family Code. Immunity from prosecution is granted to those who report suspected child abuse in good faith. (Vernon's Civil Statutes, Art. 695C-2) (Implementation of Diocesan Manual of School Policies -Policy 5141)

HOME AND SCHOOL ASSOCIATION

The purpose of this organization is to promote the spiritual, educational and physical welfare of the children of Angelo Catholic School. It is also the aim of the organization to bring into closer relationship the home and school.

All parents/guardians are voting members of the Home and School Association and are urged to attend monthly meetings and actively support the efforts of the organization.

HOMEWORK

The regular assignment of homework serves as a reinforcement of skills that the students learn in class. It is an integral element of the teaching/learning process. Each student is expected to do homework on a regular basis.

Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

Some guidelines for homework are: Completed in a regular time and place; distractions minimized with little or no TV or radio; parents/guardians available to assist, but not to do the student's work; parents/guardians accept the responsibility to check test scores weekly; parents/guardians check that assignments are completed as assigned with legible penmanship.

Minimum times for homework vary with grade and subject matter. When students are absent, it is the responsibility of the student and/or parents/guardians to request the necessary work no later than the day upon returning to school. Allow teachers one full day to prepare make-up work.

It is also recommended that parents/guardians limit the time children engage in TV watching and the type of programs watched.

INSURANCE

Accident insurance covering injuries that occur during the school year is available through the school office. This policy is mandatory unless a family can show proof of insurance coverage. Premiums are paid by interested parents/guardians.

INVITATIONS

Party invitations may not be given out in class unless every child receives one.

LEAVING SCHOOL GROUNDS

Students are not permitted to leave the school grounds without the permission of the principal. Violation may result in suspension.

LIBRARY

Each campus has a well-equipped library (and new books are being added each semester). Students are encouraged to use the library for curricular enrichment and pleasure reading. Books are checked out for a period of two weeks with one renewal. After this time, a fine of one canned food item per day will be charged until the book is returned with a maximum fine of 10 cans. (Canned goods are donated to Catholic Charities.) Books damaged or lost must be paid for by the student before any other materials may be checked out. Students with lost or damaged books do not receive progress reports or quarterly report cards until their account is clear. If a book is lost, the price of the book plus a \$5.00 handling fee will be charged. There will be no refunds if the book is found at a later time.

LITURGIES

Parents/guardians are encouraged to attend weekly liturgies planned by students and teachers.

LOCKERS

Each student on the Elementary Campus is assigned a locker in which to store clothing and textbooks. In order to maintain a quiet atmosphere for class, students are allowed to go to their lockers only at

specified times. The school reserves the right to inspect lockers at any time. The only decoration (inside or out) allowed is organized by the classroom teacher.

LOST ARTICLES

Mark your child's clothing and other belongings very clearly. Teach your child to search diligently for articles that are lost. Articles not claimed after 30 days will be given to Catholic Charities.

Students who lose a textbook or workbook must pay the replacement cost of the book plus shipping in order to receive a new copy.

MONEY SENT TO SCHOOL

Money sent to school for anything must be in an envelope marked with the child's name, grade and purpose of the money. This allows for accurate record keeping.

NON-CUSTODIAL PARENTS

Angelo Catholic abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parents access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

OFF-CAMPUS CONDUCT

The administration of Angelo Catholic School reserves the right to discipline its students for off-campus behavior that is not in line with behavior expectations of its students during the course of the school day. This off-campus behavior includes, but is not limited to cyber-bullying.

OFFICE RECORDS

Parents/Guardians are requested to notify the School Office in writing of any change of address, home telephone numbers, cell phone numbers, business phone numbers, email addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

PARENT TEACHER CONFERENCE

Parent-teacher conferences are scheduled at the end of the first quarter when the first report card is issued. Parents/guardians may request a conference at any other time by contacting the office for an appointment. Teachers are available for conferences prior to classes beginning, during their conference period or immediately after school. Teachers are not available on Early Dismissal days for conferences. Teachers are not available for conference when they are in charge of children. Please do not attempt to engage teachers in conferences about your child or the class or in conversation when dropping off or picking up children.

PARENTS AS PARTNERS

As partners in the educational process at Angelo Catholic School, we ask parents :

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has lunch money or nutritional sack lunch every day.

To actively participate in school activities such as Parent-Teacher Conferences;

To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;

To notify the school with a written note when the student has been absent or tardy;

To notify the school office of any changes of address or important phone numbers;

To meet all financial obligations to the school;

To inform the school of any special situation regarding the student's well-being, safety, and health;

To complete and return to school any requested information promptly;

To read school notes and newsletters and to show interest in the student's total education;

To support the religious and educational goals of the school;

To support and cooperate with the discipline policy of the school;

To treat teachers with respect and courtesy in discussing student problems.

PARENT'S ROLE IN EDUCATION

We, at Angelo Catholic School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Angelo Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Angelo Catholic School, we trust you will be loyal to this commitment. During these formative years (3K to Grade 6), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural,

and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation, new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, boundaries and limits provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PARTIES

Students participate in two classroom parties a year - Christmas and Valentine's Day. Room parents will work closely with homeroom teachers in planning these events, and all activities or communication sent to parents/guardians must have the approval of the teachers. Birthdays may be celebrated at lunch time and cupcakes/cookies are the recommended treat.

PERSONAL BELONGINGS

Students' personal belongings, including clothing and books, must be clearly marked so that they may be readily returned to the owner if lost. Textbooks must be kept covered at all times. Any damages to books or school property will be the responsibility of the student/parent involved. If books are lost or badly damaged, parents/guardians will be asked to pay the entire cost of a new book and shipping charges. All fines and/or replacement charges must be paid prior to receiving report card or progress report.

Personal belongings such as magazines, headsets, tape recorders/players, tapes, albums, posters, etc., are for student use at home. Students are not permitted to bring any items to school or to school-related activities that are not relevant to the learning environment. The Principal has the final say as to what is relevant to the learning environment.

PROMOTION AND RETENTION OF STUDENTS

Promotion of a student in elementary school is primarily on the basis of ability to accomplish the next grade's work. (Diocesan Manual of School Policies - Policy 5123) A student must be present for at least 90% of the year in order to pass to the next grade, regardless of academic achievement.

The following are the specific regulations for promotion for various grade levels:

5K - 1 - A student must display acceptable developmental progress of skills taught in order to advance to the next grade level.

2 - 6 - A student must have at least a "70" in Religion, Language Arts (including a "70" in Reading), Math, and an overall "70" average. A student who fails more than two subjects will be retained.

A child will be retained only after extensive consultation with the parent or guardian (a), teachers and principal. (Policy 5123)

On the last day of school, there will be a Eucharistic celebration. A reception is held immediately after the liturgical service for Kindergarten and Sixth Grade students and their families. Kindergarten and Sixth grade certificates will be mailed with report cards.

All tuition/fees/fundraising money and any money owed to the school for any purpose must be current for certificates to be received.

RELIGION

Fundamental to the curriculum at Angelo Catholic is the study and practice of Religion. It is both a separate subject to be learned and a principle of integration for all subjects. The Catholic faith permeates the entire program by integrating religious truth and values into the education and everyday life of the students. All Angelo Catholic School students will participate in daily Religion classes and age appropriate weekly worship services.

A Catholic Christian Human Sexuality Program is incorporated as part of the Religion curriculum. The school supports the parents' role as the primary educator of the child. The program aids the parents/guardians in their instruction and understanding of sexuality as a gift from God.

REPORT CARDS/PROGRESS REPORTS/GRADING SCALE

Report cards are issued at the end of each quarter covering approximately nine weeks of school. Progress Reports are issued at the discretion of the teacher in order to keep parents informed of student progress or lack of progress. The final report card will be mailed to all families at the end of the year.

Satisfactory performance is demonstrated through: Periodic Criterion Referenced Unit Tests, Frequent teacher-made tests and quizzes, Classroom participation, Homework and class assignments.

Report cards will be given to those students whose parents/guardians complete financial account is current.

Pre-School and Kindergarten reports to parents/guardians will assess the developmental progress of each child.

RETURNING TO SCHOOL AFTER DISMISSAL

Students are not permitted to return to the school building after dismissal unless accompanied by a teacher.

ROOM PARENTS

Each class has at least two room parents. They are responsible for coordinating Home and School activities for the class they sponsor. Parents assist the homeroom teacher with educational outings and parties. Room parents are to confer with homeroom teachers before making any plans that involve the class.

SACRAMENTS OF RECONCILIATION AND HOLY EUCHARIST

Ordinarily, second grade students are prepared, in addition to receiving daily catechesis from the teacher, for the reception of the Sacrament of Reconciliation in the fall and for the reception of Holy Eucharist in the spring through the parish in which parents/guardians are registered. The Diocese maintains a two-year preparation policy for the reception of the Sacraments. Reception of the Sacraments is preceded by sessions with the parents/guardians conducted by Religious Education Office personnel from the parish of membership.

Parents/guardians are encouraged and reminded to attend church services on the weekend with the children and to provide the time for regular reception of the Sacrament of Reconciliation. This is emphasized because of the obligation parents/guardians have in being the first teachers of the faith.

SCHOOL BOARD

The local school board, whose authority is derived from the Diocesan Bishop and the Diocesan Catholic Schools Commission, is called into being by the local parish or school community, and given its mission to provide quality Catholic education for all those children whose parents desire to take advantage of such an opportunity.

*The local school board is responsible for all aspects of the local school including long range planning and public relations. All policies and significant actions of the local school board need approval of the pastor (a), and must be in accord with diocesan policy.

The pastor(s) and principal, in consultation with the local school board, establishes policy and oversees the financial affairs of the school. (Diocesan Manual of School Policies - Policy 1230)

Meetings of the local school board are marked on the monthly calendar and are open to parents / guardian (s) of Angelo Catholic School children. Any party desiring to make a personal appearance before the Board shall make written application to the Board Secretary. At the first meeting after the receipt of the application, the Board will consider and furnish a response to the request.

Parents are to make arrangements for their child(ren) to arrive at school on time and be picked up at dismissal time.

There are many ways this requirement can be met including a variety of Home and School activities, assisting in the classrooms, etc., as well as through active participation in the family's registered parish. A fee of \$200.00 will be required by those who have not met this requirement and prorated for any portion of the hours given.
