\_\_\_\_\_ I understand that the cost of educating one child at Angelo Catholic School is \$7,000/year, but I agree to pay yearly tuition of \$3,485/child. (See Tuition & Fees Schedule for multi-student discounts.)

**Please initial to show your agreement with using the method selected on the Tuition Payment Preference Form.**

\_\_\_\_\_ I agree to pay via the method chosen on the Tuition Payment Preference Form.

**Please initial each item below to indicate your understanding/agreement.**

\_\_\_\_\_ **I understand that tuition at ACS does not cover the full cost of education.** Revenues from fundraising events, private contributions, sale of raffle tickets, and parish subsidies are necessary to balance the school budget, and parents are expected to help (service hours, sale of raffle tickets, etc.) with these as the cost of their child's tuition is subsidized with these revenues. I understand the ACS handbook has historically contained the following provisions, by which I agree to be bound.

Angelo Catholic School parents are required to provide 20 hours of service to the school each year. There are many ways this requirement can be met including a variety of Home & School activities, providing services (copying, making snacks) for teachers, etc. A fee of \$200.00 may be paid in lieu of 20 hours of service. Parents who provide fewer than 20 hours of service must pay the prorated amount at the end of the school year before the final report card is issued.

At least **four** of the 20 service hours required **must** be in connection with Oktober Fiesta (two hours prior to and two hours the day of the event). Extenuating circumstances must be cleared with the principal.

\_\_\_\_\_ I agree to BUY/SELL 100 raffle tickets (to support Oktober Fiesta) for each ACS student in my family.

\_\_\_\_\_ I agree to pay the \$25 Oktober Fiesta support fee.

\_\_\_\_\_ I understand that ACS families may buy/sell ACS Booster Cards at \$10.00 each. Either the cards or the money must be returned to the office. When returned to the office, proceeds from the sale of cards will be applied to the family's tuition account.

\_\_\_\_\_ I understand that a \$20.00 fee is charged for every returned check and a \$3.00 fee is assessed for every Communication Envelope issued after the first one.

\_\_\_\_\_ I understand that tuition refunds are made only in the event of a company or military transfer.
