

January 9-13, 2012

“Mrs. Hill's Kindergarten Newsletter”

The children were so glad to see their friends and resume their lessons. Mrs. Hill was thrilled to have her children back safe and sound. The break was therapeutic for all. **In Religion**, we studied about the Three Wise Men who brought gifts to Baby Jesus and about how God chose Mary to be the Mother of Jesus. **In Reading**, the children studied sight words, blending, and read in their basals and library books. **In Math**, we studied bar graphs, equal parts, halves, and fourths. We added numbers 1-5 on our computers. **In Social Studies**, the children colored their states and began research about their state. **In Science**, we studied creatures of the sea. The children enjoyed Lindsey McBride's grandmother and her presentation about her sea life experiences and pictures. She gave our class a book of her sea experiences. **In Writing**, we practiced letter formation. We had a fun and loving week.

Report Cards were sent out Wednesday. If you would like a conference with me, please schedule a time Monday through Thursday between 10:00 and 11:00 am. On Fridays, I am available between 10:00 and 10:45 am. I would like to answer any questions you might have about your child's progress. If you prefer, we can have a phone conference.

On Monday, January 16, we will be on the Elementary Campus all day for the Martin Luther King Day Celebration. You will drop off and pick up your child during the regular school hours. Please drop off your child in the back of the school.

Thank you for sending snacks on your scheduled day. You are great!!!

Thank you,

Mrs. Hill
