

March 22-26, 2010

**“Mrs. Martinez's Newsletter”**

**Religion:** The children enjoyed studying the *Stations of the Cross*.

**Language Arts:** The girls and boys read Library and AR books. They tested on the AR books. In *Writing*, they wrote creative stories and very good sentences.

**Math:** The children studied Time, the calendar, elapse of time, sequence of events, reviewed different concepts, place value, and open and closed figures.

**CATCH:** The students are studying food portions.

**Social Studies:** The girls and boys chose the projects they wanted to do for each assigned State of the United States. Mrs. Hill would like to keep about six first grade students after school on Monday, Tuesday, and Wednesday, so they can create their projects. Please let her know what day would be best for your child to stay after school to work on the project.

**Other:** On April 8, First Grade will attend the “*Read to Me*” presentation on the Court House lawn. You will drop off and pick up your child at the Elementary Campus (20 E. Beauregard) during the regular time. The children and teachers will walk from the Sacred Heart Campus to the Court House for the presentations.

May God Bless You,

Mrs. Martinez
