“Mrs. Martinez's Newsletter”

This week, the first grade girls and boys worked very hard. In **Religion**, we continued our study of Lent in the *Totally Lent* book. We read and discussed the Gospel daily. In **Language Arts**, we read our Basals and library books. The children enjoyed *Buddy Reading*. They paired off and read to each other. We worked in our Phonics and Spelling books. In **Writing**, we drew pictures and wrote stories about our favorite toys. In **Math**, the children began the Money Unit. We reviewed counting by ones, fives and tens. In the **CATCH Program**, the girls and boys finished the Heart Unit and started work on the Food Labels Unit. In **Social Studies**, the children finished their USA Packet.

I hope the parents and children have a very peaceful, fun, and safe Spring Break. We are scheduled to return from Spring Break on March 22.

God bless you,

Mrs. Martinez
